1. INTRODUCTIONS

Pharmanza Herbal Pvt. Ltd. recognizes the vital importance of land resources in the success of our business operations. As a company committed to sustainable and responsible practices, we have formulated this Land Policy to guide our land-related activities. This policy outlines our principles, objectives, and strategies for managing land resources efficiently, ethically, and in accordance with applicable laws and regulations.

2. POLICY

Pharmanza Herbal Pvt. Ltd. is committed to doing business the right way and has a zero tolerance for illegal activities in our supply chain and land displacements of any legitimate land tenure holders which are contrary to the International Performance Standards. We recognize these situations can occur, and Pharmanza Herbal Pvt. Ltd. has a responsibility to address them.

Agriculture is an integral part of Pharmanza Herbal Pvt. Ltd.'s supply chain. Our products depend on a safe, high- quality, and affordable supply of agricultural raw materials to meet the demands of our business as well as the expectations of our consumers, customers, and other stakeholders. Pharmanza Herbal Pvt. Ltd.'s Land Policy is an essential part of the broader and more comprehensive. These incorporate appropriate portions of our Pharmanza Herbal Pvt. Ltd. Supplier Code of Conduct, Sustainable Farming Initiative, Environmental Health and Safety Policy.

Agriculturally based raw materials are supplied to Pharmanza Herbal Pvt. Ltd. by our suppliers, both directly and indirectly, from farms. Raw materials are sourced from representing a wide range of land tenure systems, both formal and informal.

In order to ensure a confidential and safe process for investigating grievances which are raised by affected parties and to help ensure the Pharmanza Herbal Pvt. Ltd. Land Policy is properly implemented.
